subject PA meeting

description	action	due date
Spire to provide the available FMECAs, DMLs and DPLs to ESA for review.		
3 DDRs held so far. DRD actions open, but answered and being processed.		
ESA to provide a list of the required PA documentation, and of the contents of the PA section of the monthly progress report.		
The IBDR documentation must be available at ESA 4 weeks before the review.		
The DMLs and DPLs shall be consolidated for the IBDR.		
The FMECA is needed as input to the HSA for the OBSW. The FMECA shall be made available to the OBSW designer.
