Matt,

Following the agreements reached during the last SPIRE Interface and IID-B convergence meeting (2003-09-04 - H-P-ASP-MN-3513), we provide you with a version of the SPIRE IID-B that we would like you to approve and sign.

[ftp://ftp.hp-instruments.as-b2b.com/industry\\_to\\_instruments/IIDs/IID-B%20SPIRE/IIDB-SPIRE\\_v3-0+annexes\\_signature.pdf](ftp://ftp.hp-instruments.as-b2b.com/industry_to_instruments/IIDs/IID-B%20SPIRE/IIDB-SPIRE_v3-0+annexes_signature.pdf)

Can you have a last chek, and sign it (deposit it after on your part of the ftp server, and inform us that it is ready).

After this, the document should be approved and signed by ESA.

Can Alenia and Astrium send us in parallele a (referenced) mail stating their agreement with this document (to confirm the agreement of the convergence meeting).

Best regards
