Subject: SPIRE AVM / QM1 interfaces to the ASED EQM Harness

Dear Sirs,

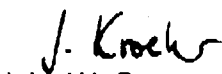

Please note that the ASED baseline for the Herschel EQM harness is that all electrical and mechanical interfaces of the SPIRE AVM/QM1 are identical to the Instrument FM units.

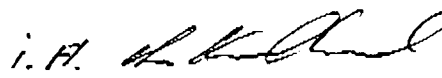

Please note, that therefore the AMV/QM1 interface drawings provided as part of the SPIRE Mechanical Interface Drawings, SPIRE-RAL-DWG-001409, Issue 8 in December 2003 are not acceptable to ASED.

Please provide a Change Request with the applicable interface drawings, if the impact on the EQM harness shall be analysed and implemented.

Kind regards

EADS ASTRIUM

i. V. W. Rühle

i. A. A. Knoblauch
