17.05.2006: HIFI FPU CQM
01.09.2006: SPIRE WU CQM

The FPUs and the PACS flexlinks will be mechanically and electrical integrated within CW 20/06, pending the progress of the cryostat repair activities. The straylight test is planned after completion of the thermal test programme, approx. in CW 40/06.

We kindly ask you to confirm the delivery dates by return fax.

Furthermore, we kindly ask you to arrange a pre handover review to formally agree on the deliverable hardware, software, MGSE, EGSE, SCOE, procedures and other documentation, cleanliness and logistics.

Kind Regards

EADS ASTRIUM
